Validations and entering data:

The image shows two screenshots of a web application. The top screenshot is a registration form titled "Registration" with a light red background. It contains several input fields with asterisks indicating required fields: Username, Password, Retype Password, Date of Birth, Email, Telephone, and Address. Each field has a sample value entered. A "Submit" button is at the bottom. A note at the bottom states: "Note: Please make sure your details are correct before submitting form and that all fields marked with * are completed!". The bottom screenshot is a login page titled "Login Page" with a light gray background. It features input fields for Username and Password (masked with dots), a "Forgot Password?" link, a blue "LOGIN" button, a circular "OR" separator, and a blue "REGISTER" button.
